APPLICATION 15722

PERMIT 11944

LICENSE 7125

THIS IS TO CERTIFY, That

Freeman E. Fairfield

Bess Fulstone and Louis Ashurst

2848 Cherry Avenue

and 69 Ranch

Long Beach 6, California

Coleville, California

have made proof as of June 10, 1963,  
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of  
an unnamed stream in Mono County

Notice of Change (Over)

tributary to Slinkard Creek thence West Walker River

for the purpose of stockwatering use

under Permit 11944

of the State Water Rights Board and that said right to the use of said water has been perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the terms of the said permit; that the priority of the right herein confirmed dates from February 15, 1954, and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed one thousand seven hundred twenty-five (1725) gallons per day to be diverted from about March 1 to about October 31 of each year.

The points of diversion of such water are ~~shown~~ movable points along the unnamed stream between limits as follows:

- (1) North fifty-four degrees fifty-six minutes west (N54° 56'W) one thousand twenty-six (1026) feet from S $\frac{1}{4}$  corner of Section 3, T9N, R22E, MDB&M, being within SE $\frac{1}{4}$  of SW $\frac{1}{4}$  of said Section 3.
- (2) South twenty-five degrees thirty-one minutes west (S25° 31'W) one thousand four hundred sixty-two (1462) feet from N $\frac{1}{4}$  corner of Section 10, T9N, R22E, MDB&M, being within NE $\frac{1}{4}$  of NW $\frac{1}{4}$  of said Section 10.

A description of the lands or the place where such water is put to beneficial use is as follows:

Within SE $\frac{1}{4}$  of SW $\frac{1}{4}$  of Section 3, T9N, R22E, MDB&M and  
Within NE $\frac{1}{4}$  of NW $\frac{1}{4}$  of Section 10, T9N, R22E, MDB&M.

Rights under this license are and shall be subject to existing rights determined by West Walker River Adjudication, Federal Decree No. C125 and such other rights as may presently exist on the stream insofar as said existing and adjudicated rights are maintained.

This license is conditioned upon full compliance with Section 5937 of the Fish and Game Code.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
